**Fee Structure:** Our rates are based on Discovery Health Premier A Rate. Procedures for Discovery and BankMed patients are fully covered by insurer pending savings for consultations.

Other patients need to settle the full account on the day of service. We offer a 10% discount on our usual fee if paid on day of service. We accept a part-payment for procedures for some medical aids and will then submit the balance directly to your medical aid. Please see overleaf.

**Our usual fees are:**                      **Consultations:**     R 1 800.00

<b><u>A guide to procedures:</u></b>	Gastroscopy	R 3 860.00
	Colonoscopy	R 10 400.00 (+R1 940 for polypectomy)

Please note that our rates are similar to Discovery Health if you use the 10% discount offered. Accounts not paid within 30 days will attract interest at 20 % per annum and a monthly R65.00 administration fee. You are always responsible for your account. All patients need to discuss their accounts with the receptionist on the day of the consultation or procedure to get the discount.
